GOALS STATEMENT

Building a People

The call of this vision is to focus on the natural, spiritual, emotional, theological, and philosophical maturity of the people of God.

Serving the Whole Man

The call of this vision is to invest in the development of the body, soul, and spirit of man to and for the glory of God.

Providing an Atmosphere where People can Experience & Encounter God

The call of this vision is to encourage and instigate personal experiences and encounters with God in a public worship environment. An experience allows us to perceive, understand, and remember something special about God. An encounter allows our lives to be impacted and changed by the presence of God.
